

Visiting Our Annex Office

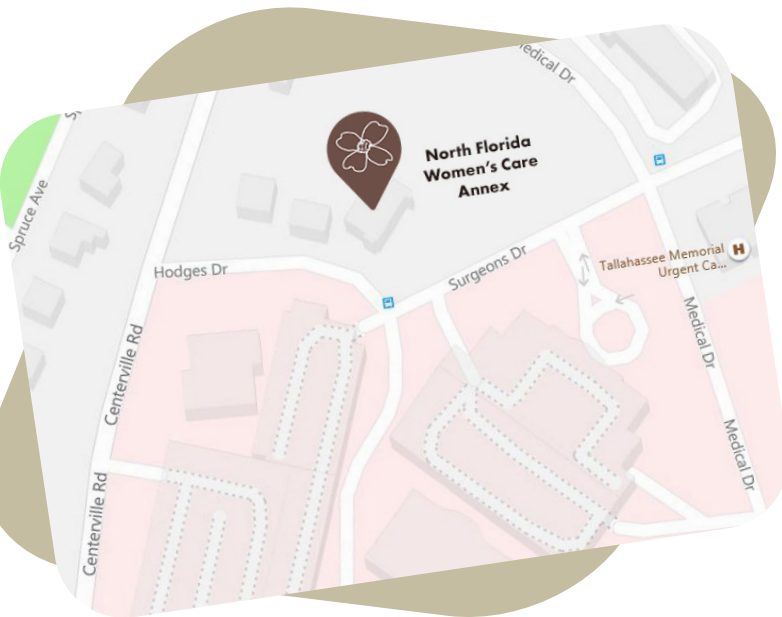

Patients visiting the Annex are those who have appointments with Arthur Clements, MD, PhD, Leah Bowler, APRN, or Anne-Marie Singleton, APRN, or for Uro-Gynecology or Monalisa Touch. We also have a rotation of advanced-practice providers who see patients here. All obstetrics patients visit our main office.

DIRECTIONS

The Annex is across the street from our main office. It is on the corner of Hodges Drive and Surgeons Drive, facing the main entrance to the TMH parking garage.

The address is:
1219 Hodges Drive
Tallahassee, FL 32308

PARKING

Annex patients do not need to park in the TMH parking garage. The Annex parking lot entrance is to the right side of the building, off of Surgeons Drive. Enter the office via the green door at the front of the building.
