

Career Opportunity

Position Summary

REGISTERED NURSE (RN) or LICENSED PRACTICAL NURSE (LPN)

Responsible for providing primary care to patients, including assessment, treatment, care planning and medical care evaluation. Requires a team player with excellent organizational, computer, problem solving and customer service skills.

Our Practice

North Florida Women's Care is Tallahassee's premier women's health medical group. We've provided obstetric and gynecologic services for 36 years. We address the health care needs of women throughout all stages of life. We provide preventative care, including well-woman and prenatal care, and we deliver babies for both normal and high-risk patients.

Benefits

We offer competitive wages and excellent benefits, including health, dental, vision, 401K, and paid time leave. We are an Equal Opportunity Employer.
